Today for the first time in any public venue the Institute for First Amendment Studies published the entire 1996 membership list of the Council for National Policy. Check it out and see who you know. If you have a brief profile of any of them please share it.

As one looks around the nation one see the members of the CNP leading or financing the charge against minorities i.e., gays, immigrants, women, the poor, and public education.

Happy reading

Jerry

Council For National Policy 1996 membership by name

Howard Ahmanson - Irvine, California - Fieldstead & Company

Barbara Alby - Sacramento, California - Assembly Woman - State Capitol

Daniel B. Allison - McLean, Virginia

Thomas R. Anderson - Bernardsville, New Jersey
